The screenshot shows a web editor interface for an 'Accessory Category Card'. The card's description is 'Image, link and text for a product category.' The form contains four input fields: 'Resource ID', 'Image', 'Image Alternating Text', and 'Title'. The 'Image' field has a dropdown menu with options: 'Choose', 'Upload', 'From URL', and 'or drop an image here'. Below the form are two buttons: '+ Add Content' and '+ Add Layout'.

Settings

Resource ID: The Resource ID you would like the Icon and text to link too.

Image: Image representing products/items within the accessory category.

Image Alternative Text: Alternative text to display for the image should the image not load.
