

Field: Article Side Whitespace CTA

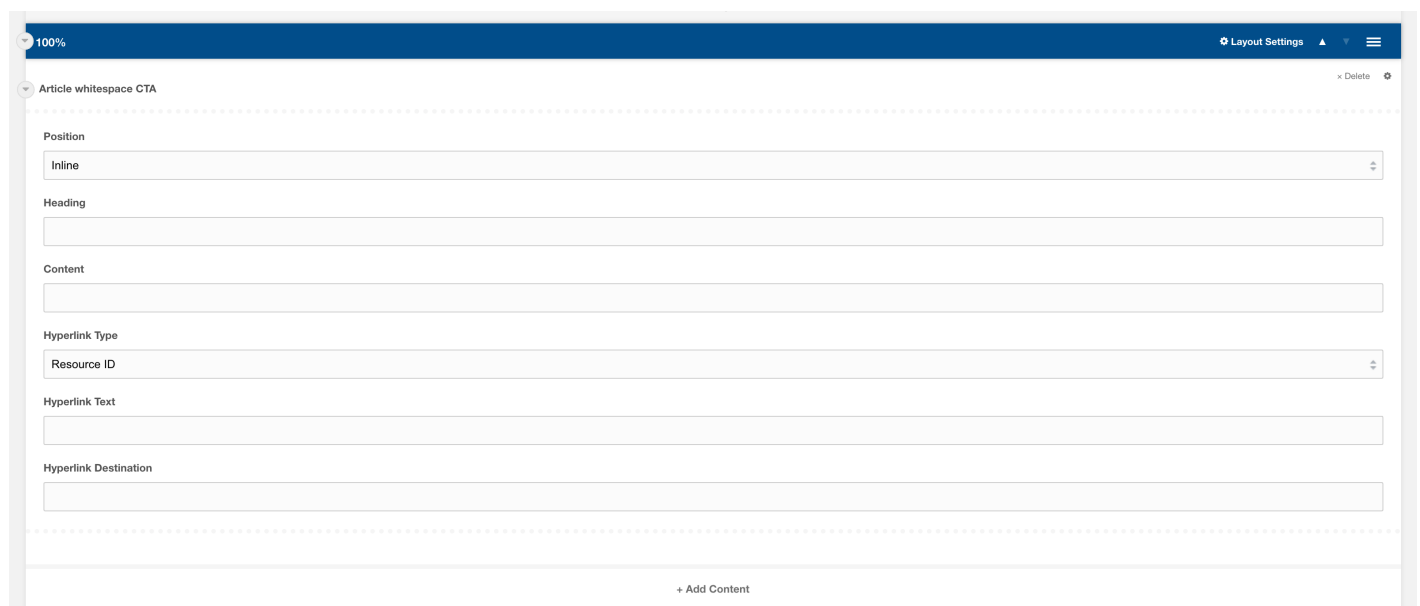

Article Side Whitespace CTA.

Article CTA areas, available to be set inline by default to content and offset on desktop to right or left.

Category: Waterlogic Fields - Articles

Content Blocks Documentation:

<https://docs.modmore.com/en/ContentBlocks/v1.x/Fields/index.html>

The screenshot shows a configuration form for an 'Article whitespace CTA' within a CMS interface. The form is titled 'Article whitespace CTA' and includes a 'Delete' button. The fields are as follows:

- Position:** A dropdown menu with 'Inline' selected.
- Heading:** An empty text input field.
- Content:** An empty text input field.
- Hyperlink Type:** A dropdown menu with 'Resource ID' selected.
- Hyperlink Text:** An empty text input field.
- Hyperlink Destination:** An empty text input field.

At the bottom of the form, there is a '+ Add Content' button.

Example of Article Side Whitespace CTA (left, right and inline):
