

Field: Branded Slider Content

Branded slider content to be used within the "Branded Slider Layout"

Category: Waterlogic Fields

This field is used as a building block for the "Branded Slider Image" Layout, and will only work correctly with this layout.

Repeater options

Setting	Description	Default
Slide Content	Content that should appear beside the "Branded Slider Image"	

The order of these repeater items need to be the same as the order of the "Branded Slider Image" items.
