

Field: Image Tab Logos

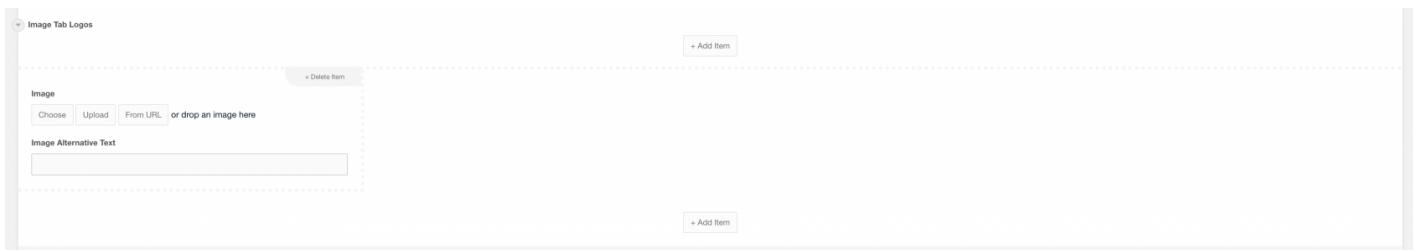

Image Tab logos

Image tab logo repeater, designed to work only within the Image Tabs Layout

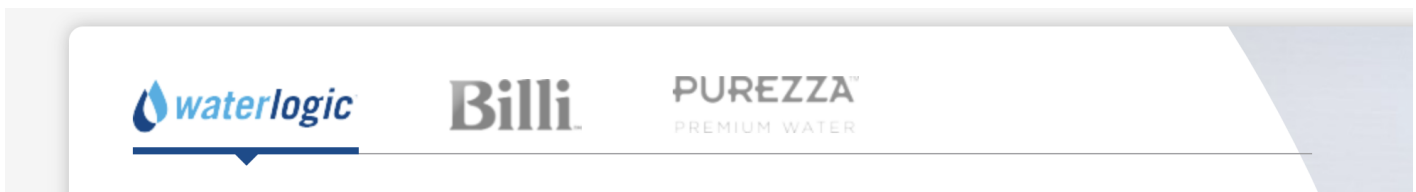

Category: Waterlogic Fields

Content Blocks Documentation:

https://docs.modmore.com/en/ContentBlocks/v1.x/Input_Types/Repeater.html

Example of image tab logos on front end of website:

Settings

Image: Each image is a link to the tabbed content as defined within the tab content field. Select an image that represents the content to be applied within this field (e.g. a Waterlogic logo would be a link to the tabbed content explaining about Waterlogic).

Image Alternative Text: Alternative text to support the image should it not be able to show.

NOTE: This content block field should only be used as part of the Layout Image Tabs.
