

Field: Resource Selector Banner

Resource Selector Banner.

Simple banner to show resources in a dropdown and when clicked goes to the resource.

Category: Waterlogic Fields.

Content Blocks Documentation:

<https://docs.modmore.com/en/ContentBlocks/v1.x/Fields/index.html>

Each value in the resource selector defaults to page title. Where relevant on resources there is a Template Variable called **Resource Selector Reference Name** which will overwrite the page title default.

Settings

Parent ID: The Id of resources to pull into the dropdown list

Left Text: Text that appears to the left of the dropdown

Right Text: Text that appears to the right of the dropdown
