The screenshot shows a configuration interface for the 'Testimonial Card Image' field. On the left is a sidebar with a tree view containing 'Testimonial Card Image' and 'Testimonial Card'. The main area has a list of fields: 'Background Image', 'Quote Text', 'Testimonial Logo', 'Author', and 'Company'. Each of the first three fields has a control bar with 'Choose', 'Upload', and 'From URL' buttons, followed by the text 'or drop an image here'. Below these are three empty text input fields corresponding to the 'Quote Text', 'Author', and 'Company' labels.

**Background Image:** Image to be applied to the testimonial card. Will appear to the top or right of the content depending on the "Background Image Position" setting.

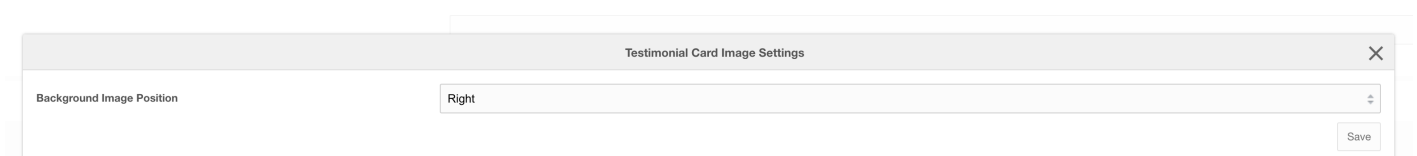

**Quote Text:** The text to display for the quote

**Testimonial Logo:** If a logo is relevant (i.e a company logo), then this can be placed here.

**Author:** The name of the person that has provided the testimonial.

**Company:** The name of the company. If empty then does not display on front end.

Additional Settings: (as found within field cog, **highlighted in blue**)

The screenshot shows a 'Testimonial Card Image Settings' dialog box. It has a title bar with a close button (X). The main content area has a label 'Background Image Position' and a dropdown menu currently set to 'Right'. A 'Save' button is located in the bottom right corner.

## Settings

**Background Image Position:** Should the position of the the "Background Image" be top or right.  
Default to Top.
