The screenshot shows a configuration interface for the 'Testimonial Card Text' field. On the left, a sidebar lists the field name and its sub-fields: 'Quote Text', 'Testimonial Logo', 'Author', and 'Company'. The main area contains input fields for each of these sub-fields. The 'Quote Text' field is a large text area. The 'Testimonial Logo' field has buttons for 'Choose', 'Upload', and 'From URL', followed by the text 'or drop an image here'. The 'Author' and 'Company' fields are simple text inputs.

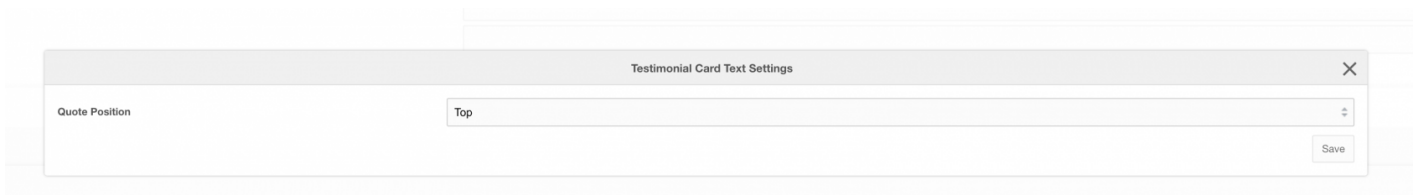

Quote Text: The text to display for the quote.

Testimonial Logo: If a logo is relevant (i.e a company logo), then this can be placed here.

Author: The name of the person that has provided the testimonial.

Company: The name of the company. If empty then does not display on front end.

Additional Settings: (as found within field cog, **highlighted in blue**)

The screenshot shows a 'Testimonial Card Text Settings' dialog box. It has a title bar with a close button (X). Inside, there is a 'Quote Position' label and a dropdown menu currently set to 'Top'. A 'Save' button is located at the bottom right of the dialog.

Settings

Quote Position: Should the position of the the quote icon be top or left. Default to Top. (see screenshot below with top and left quote icons as example).
