

Field: Testimonial

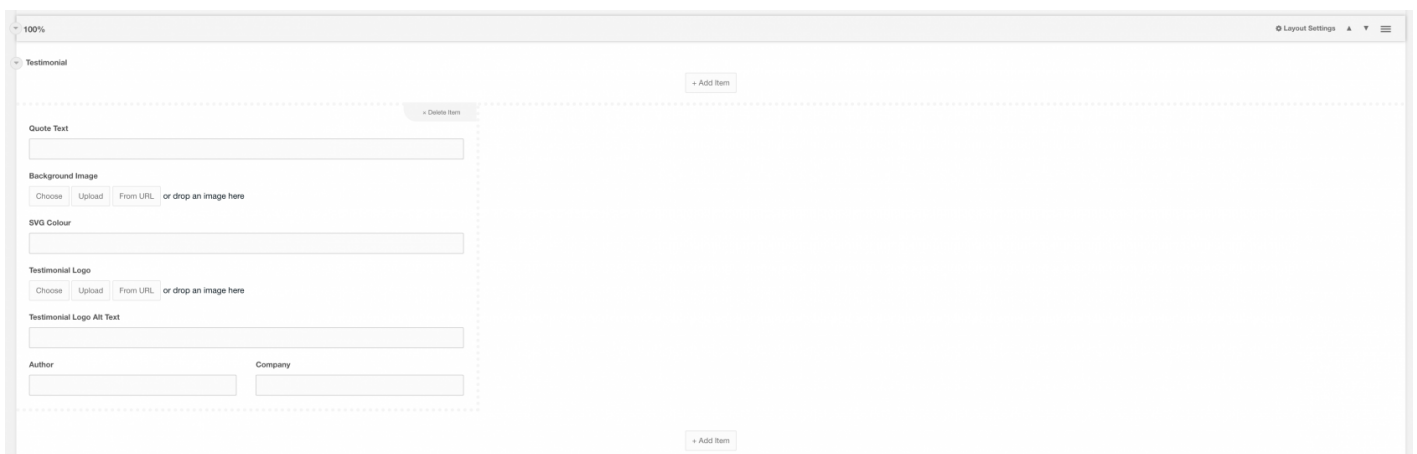

Testimonial

Testimonial as a repeater field. If more than one testimonial is created this field will turn into a testimonial slider.

Category: Waterlogic Fields.

Content Blocks Documentation:

https://docs.modmore.com/en/ContentBlocks/v1.x/Input_Types/Repeater.html

A screenshot of a web form editor showing a testimonial field. The field is a repeater, indicated by a dashed border and a '+ Add Item' button at the top right. Inside the field, there is a 'Quote Text' input field, a 'Background Image' section with 'Choose', 'Upload', and 'From URL' options, an 'SVG Colour' input field, a 'Testimonial Logo' section with 'Choose', 'Upload', and 'From URL' options, a 'Testimonial Logo Alt Text' input field, and two input fields for 'Author' and 'Company'. A '+ Delete Item' button is located at the top left of the field.

Quote Text: The text to for the quote

Background Image: Image to be applied to the testimonial card. Will appear to the top or left of the content, depending on viewport.

SVG Colour:

Testimonial Logo: If a logo is relevant (i.e a company logo), then this can be placed here.

Testimonial Logo Alt Text: Alternating text for the testimonial logo.

Author: The name of the person that has provided the testimonial.

Company: The name of the company. If empty then does not display on front end.

To turn this into a slider, click the "**add item**" button under the testimonial field. This will give you the option to add another slider field.
