Content Blocks Documentation:

[https://docs.modmore.com/en/ContentBlocks/v1.x/Input\\_Types/Repeater.html](https://docs.modmore.com/en/ContentBlocks/v1.x/Input_Types/Repeater.html)

The screenshot shows a configuration interface for the 'WL Icon Banner' field. At the top, there is a '100%' width indicator and a 'Layout Settings' menu. Below this, the field name 'WL Icon Banner' is displayed with a 'Delete Item' button and an 'Add Item' button. The main configuration area is divided into two columns. The left column contains: 'Heading' (text input), 'Icon' (dropdown menu with 'Cup' selected), and 'Icon Colour' (dropdown menu with 'Blue Dark' selected). The right column contains: 'Text' (text input), 'Icon Position' (dropdown menu with 'Top' selected), and 'Text Colour' (dropdown menu with 'Blue Dark' selected). At the bottom left, there is a 'Content Settings' section with a 'Columns Per Row' dropdown menu set to 'Three'. Another 'Add Item' button is located at the bottom right of the configuration area.

## Repeater Settings

Each repeater item has the ability to customise the icon text and positioning.

**Heading:** The main heading for this field. appears beside/below icon depending on "Icon Position" field setting.

**Text:** The text to appear below the heading content.

**Icon:** Select the icon from the dropdown list (if extra icons are required these will need to be added in.)

**Icon Position:** Where should the icon appear within the field. Top or left of the content. Default Top.

**Icon Colour:** Select the colour from the pre-defined list of colours. Default Blue Light.

**Text Colour:** A text colour override to be used if darker colours are set as a background on the

outer layout.

## Settings

**Columns Per Row:** How many items should display within each row. Default to three.

## Notes

Background colour can be set for this from the layout (Change the background colour to any of the WL colours. Default to White). As defined the best layout for this field is **100%** as column widths can be setting within this field.
