

# Layout: Gradient image

## Single column layout with a background image and a dark gradient overlay

Category: Waterlogic Layouts.

Content Blocks Documentation: <https://docs.modmore.com/en/ContentBlocks/v1.x/Layouts.html>

The screenshot shows the 'Gradient image' content block editor. It features a top navigation bar with 'Layout Settings' and a menu icon. The main area is divided into two image sections: 'Desktop image' showing a group of people in a meeting, and 'Mobile image' showing a portrait of a man. Below these are 'Content Settings' for 'Text colour' (set to 'White') and 'Align text' (set to 'Centre'). A 'Rich Text' editor is present with a toolbar and the text: 'Where will your career take you next? The people here at Waterlogic don't just work for Waterlogic, they are Waterlogic. They're what make our company great. And to continue excelling, we're looking for the best and brightest people to join our 2,500-strong global team.' Below the rich text are 'Content Settings' for 'WL Style RTE' (set to 'No') and 'Section ID'.

**Additional settings are available by hovering over the field and clicking the cog in the top right**

The 'Gradient image Settings' dialog box is shown. It has a title bar with a close button (X). The settings are as follows:

Setting	Value
Data-UID	
Size of section	Small
Margin top	None
Margin bottom	60px
Bootstrap columns	col-lg-8 offset-lg-2

A 'Save' button is located at the bottom right of the dialog.
