

Page template: Careers Locations

A full page template, consisting of multiple content block section templates, layouts and fields, combined with template variable settings and lexicon.

Category: Careers

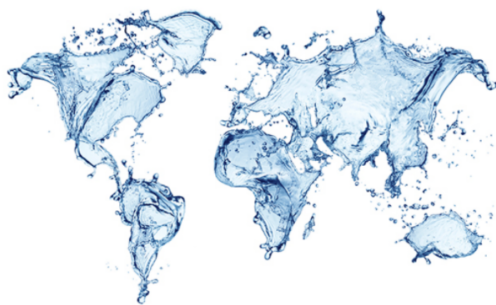

Full content block template using the career content template. This is required rather than the default template as search functionality for the careers is used within the template.

Example of front end view (top half of page):

““”

"When I joined Waterlogic what really stood out for me was the amount of technology that goes into each of our products. We are at the cutting-edge and that's very exciting."

Gil Rocha
Technical Support Engineer
