## Water Cooler Cost Calculator

Aperiam eveniet netus rhoncus odit dui! Iusto fuga gravida ipsa per doloremque.

Etiam at reiciendis accusantium ultricies. Nascetur excepturi ultrices sodales, sed potenti nisi? Sed! Tempor! Turpis! Nisi sapien, occaecati.

The screenshot shows a web form titled "Water Cooler Cost Calculator" with a blue header and a white body. At the top, there is a blue icon of a water drop with a footprint. Below the title, a subtitle reads: "Simply fill in your information to work out how much you can save on your current bottled cooler costs." The form is divided into two sections: "Current Users" and "Your bottled coolers". Under "Current Users", there are two input fields: "# of employees" and "# of daily visitors". Under "Your bottled coolers", there is one input field: "# of bottled coolers". Each input field has a blue icon of a person and a question mark icon to its right.

Fields and Layouts used:

Layout: 100%

Field: Heading

Field: Rich Text

Field: Cost Calculator Form
