Example visual on modal as per template:

The image is a composite of two web page designs. The left side features a testimonial from an 'Accounts manager' at a 'Manufacturing company' who strongly recommends 'Waterlogic!'. Below this is a list of partner logos: eBay, amazon, FedEx, and Walmart. Further down, three service areas are listed with icons: 'Wide range' (water cooler icon), 'Eco-friendly' (leaf icon), and 'Servicing included' (water tap icon). The right side shows a form titled 'Limited time promotion!' with a 'Special offer!' badge. The form includes a title 'A title that displays above the form fields.' and a descriptive text. It contains several input fields for user information: Name*, Company name*, Email address*, Phone number*, and Postcode. Below these is a 'Choose an environment:' section with 'Business' and 'Home' options. A 'Can we stay in touch?' section follows, with a checkbox for 'Yes please' and a 'Submit' button. At the bottom, there are links for 'Open live chat >' and 'Call us >', and a footer link for 'View our privacy policy >'.
